

GGGCAGTTAG

The image displays a DNA double helix structure with a yellow backbone and colored base pairs. The sequence GGCAGTTAG is written in large, colorful letters above the structure. The letters are color-coded: G is yellow, C is blue, A is green, and T is red. The sequence is GGCAGTTAG, which is a 9-nucleotide sequence. The structure shows the following base pairs: G-C, G-C, A-T, A-T, T-A, G-C. The sequence is written in a stylized font with a slight shadow effect.
